Dear Mr. Penney:

On June 21, 1999 a field compliance inspection was conducted for your notice, located in Section 24, T. 25 S., R. 19 W. This notice was accepted by our office on July 29, 1998, under the 43 CFR 3809 regulations for surface management. Based on our inspection, we have determined that you have not created any surface disturbance at this location under this notice; therefore, this notice case file is closed.

If you restart any mining related activity that causes surface disturbance, then you must re-notify this office at least 15 days prior to the start up of your operations.

Thank you for submitting your notice and for your support in proper management of public lands.

Sincerely,

Rex Rowley
Field Manager
